POINTS & PLACES

Points awarded shall be the competitor's actual placing in the event, with only the first six finishers from each College counting towards their total. The College with the lowest amount of points is the winner of the age group.

At the completion of each individual age group race, colleges will be ranked from first to ninth (secondary) and first to eighth (primary). The following points shall be awarded for the calculation of the aggregate championship:

1st - 10; 2nd - 8; 3rd - 7; 4th - 6; 5th - 5; 6th - 4; 7th - 3; 8th - 2; 9th - 1

The Aggregate Shield shall be determined by adding the points from the age group points allocation.

In the event of a tie in an individual age group, points shall be shared as per the allocation for all other AIC team sports.

The Aggregate Shield shall be determined by adding the points from the age group points allocation. Individual place getters in each event shall be presented with a pennant
